GCASAFV Regional Summit 2011: "Creating Safe, Healthy, & Violence-Free Island Communities"

1. Introduction

Welcome to the registration form for the Guam Coalition Against Sexual Assault & Family Violence (GCASAFV) Regional Summit 2011 entitled "Creating Safe, Healthy, & Violence-Free Island Communities". Please complete this form to register for the Summit activities that you've chosen to attend.

Background: GCASAFV

The Guam Coalition Against Sexual Assault & Family Violence was established in 2006 and recently recognized as Guam's Sexual Assault and Domestic Violence Coalition. Membership is comprised of Guam's local domestic violence service providers, government allies, and other community partners. GCASAFV and its partners aim to address domestic violence and sexual assault issues with one united voice. GCASAFV's purposes are essentially to identify gaps in services to domestic violence and sexual assault victims; provide education, outreach and training; and strengthen the network and build the capacity of providers and community partners to meet the needs of our island's domestic violence and sexual assault victims and survivors.

2. Overview of Regional Summit Activities

The GCASAFV's Regional Summit 2011 will include activities during the week of March 6, which range from Roundtable discussions to presentations from experts in the field to training of Community Advocates.

The Regional Summit will start off on March 6 with a 'Greet and Meet Exchange' Night. We will involve our community leaders and partners as we welcome our Coalition representatives from the other Territories, our trainers, and other Coalition partners who have traveled from off-island to participate in the GCASAFV Regional Summit 2011.

March 7 through 10 will feature presentations from local and off-island experts at the Sheraton Laguna Guam Resort. These presentations will focus on strengthening knowledge on a range of topics. Each topic is detailed below in the selection menu.

This project is primarily supported by Grant No. HHS-2009-ACF-ACYF-FVPS-0035 (Administration for Children and Families, Department of Health & Human Services). The opinions expressed in this event and related articles are those of the Coalition organizers, trainers, and presenters, and do not necessarily reflect the views of the funding agency.
